Five Key Facts about Financial Aid *at Greenhill*

1. FINANCIAL AID IS ESSENTIAL TO OUR MISSION.
Our mission is: "In a diverse and inclusive community, Greenhill prepares and inspires students to lead authentic, purposeful lives." Our financial aid program helps us fulfill our mission. It allows us to enroll a community that reflects the socioeconomic diversity of our region. We know from experience—and from the most current research—that a diverse school community has profound educational benefits.

2. WE SUPPORT FAMILIES WHO NEED ASSISTANCE.
We base financial aid decisions solely on a family's demonstrated need. We don't offer any type of merit scholarship. Our aid comes in the form of tuition grants: money applied toward tuition for the upcoming school year that does not need to be repaid. In our most recent school year, we had over $6.6 million available for grants and supplemental support which was distributed to approximately 17% of the student body.

3. WE DON'T CONSIDER FINANCIAL NEED IN THE ADMISSIONS PROCESS.
Our admission process is need-blind, meaning our admission committee does not consider a student's need for financial assistance in its decision.

4. WE MAKE SURE EVERY FAMILY CAN PARTICIPATE FULLY IN SCHOOL LIFE.
To help qualifying families, we provide supplemental support to cover costs above our tuition, such as after-school care or extracurricular activities, enabling children to participate in all aspects of school life. Support varies based on multiple factors such as the grade of the child and level of financial aid for which the family qualifies. In our most recent school year, we earmarked more than $650,000 to help families cover other costs associated with attending Greenhill.

5. WE FOLLOW BEST PRACTICES.
Our financial aid program is well established, fairly administered, clearly communicated, and consistently applied in accordance with the principles and practices of the National Association of Independent Schools (NAIS) and the core values of the Greenhill community.

TUITION PAYMENT OPTIONS

Each year, families can select from three different payment plans.

Option 1: Payment in full due by June 1

Option 2: 60% of tuition, along with a finance charge, paid by June 1, with the additional 40% paid by December 1.

Option 3: Tuition paid in 10 monthly installments. A finance charge and mandatory tuition refund insurance are due by June 1.

What is tuition refund insurance? Tuition refund insurance helps protect you from unexpected events, like a mid-year family move or a serious illness, that would require your student to leave Greenhill. It helps you recoup some of your costs in the event that your child does not finish the school year.
