

Extended Day – How to Register in CampBrain

Welcome to Extended Day Registration 2020-2021

Due to our new registration software, all families will need to create a new account (username and password) this year OR use the same username and password previously used for Summer on the Hill. MyPack is no longer used for Extended Day registrations. Students should register for the grade they are entering in the Fall of 2020. Once you have registered, please complete the required forms for each child.

If you have questions, refer to the "How to Register" instructions on the Greenhill website, www.greenhill.org/, select the STUDENT LIFE tab at the top of the page followed by Extended Day. For additional questions, please email extendedday@greenhill.org or call 972-628-5520.

NOTE: Extended Day charges will be billed through FACTS.
