

Immunization Requirements

All students enrolled at Greenhill School must be immunized against vaccine-preventable diseases caused by infectious agents in accordance with the most current immunization schedule adopted by the Texas Department of State Health Services. All students must have a complete and current immunization record on file to enroll or reenroll at Greenhill School. Exemptions for reasons of conscience are not accepted. Exclusions for medical reasons must have a written statement from a board-certified allergy/immunology or hematology/oncology physician licensed by any state in the United States (M.D. or D.O.) who has examined the student.
